

GYSMATIC 2.0 CL XXL TRUE COLOR

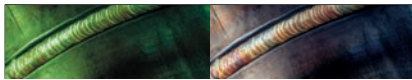

REF. 069138

The GYSMATIC 2.0 CL XXL, with its light colour 2, offers perfect visibility. Its XXL screen and panoramic field of vision guarantee a wide, unobstructed view. With 5 highly sensitive sensors, it reacts instantly to the welding arc. The multipremium headband ensures a secure, comfortable fit, reducing fatigue during prolonged use. What's more, its automatic adjustment adjusts the tint according to the intensity of the arc.

FEATURES

- **Clear shade 2**, exceptional visibility before welding.
- **Panoramic field of vision:** 1 XXL screen + 2 fixed-tint side screens for 180° vision.
- **Intelligent mask** with automatic parameter settings according to working conditions (light, mode, etc).
- **5 extremely sensitive sensors** for maximum efficiency.
- **Multi premium headband** fully adjustable. Optimised balance point for exceptional levels of comfort.
- Ergonomic **control panel with digital screen**.
- **Filter with TrueColor technology:** more realistic and detailed colour reproduction than conventional filters.
